MEMORANDUM FOR: Contract Personnel Division

SUBJECT : [REDACTED] 25X1  
Contract Amendment

1. It is requested that Subject's contract, effective 1 July 1955, be amended, also effective 1 July 1955, by the addition of the following paragraph as Paragraph 15 of the contract:

15. Leave. Upon completion of one (1) year's overseas service under this contract, you will be entitled to thirty (30) calendar days' leave in the United States. Thereafter, upon the completion of each two years of overseas service under this contract, or any renewal hereof, you will be entitled to thirty (30) calendar days' leave in the United States. Payment in lieu of unused leave will not be authorized.

2. The above paragraph was included in earlier drafts of the contract but was omitted by mistake from the final contract. It is therefore requested that this memorandum be approved as an amendment to Subject's contract.
